Application Requirements

The International students' admission to the Regular Undergraduate Program is conducted through a selection system carried out by Itenas. The requirements for the selected candidate are as follows:

- Graduated from High School/equivalent, both from local or abroad schools, no longer than three years at the date of admission (e.g., 2025 Admission is for high school graduates of 2023, 2024, and 2025)
- Maximum age of 22 years old by 1 August 2025
- High academic achievement during high school level/equivalent, shown in the of report cards/academic transcripts each semester, from semester 1 to semester 5
- Demonstrate good level of English proficiency
- Apply and Register at https://international-student.itenas.ac.id

Registration Procedure

Prospective students who met the requirements can register themselves as applicants in the International student selection online, through international-student.itenas.ac.id, with the following procedures:

1. Register using a full name (according to the birth certificate/passport), date of birth (according to birth certificate/passport), and an active email address on the International Students selection registration page (https://international-student.itenas.ac.id). The system will send the selection number and password to the email address registered by the applicant.
2. Fill in the personal data
3. Fill in the data from the school
4. Fill in report cards and submit scanned report cards/academic transcripts for high school level/equivalent from semester 1 to semester 5.
5. Choose the designated study programs.
6. Submit proof of high school graduation/equivalent documents.
   - Graduates of 2023 and 2024 submit the scanned results of the Original Diploma/Graduation Certificate.
   - Graduates of 2025 submit a scan of the Temporary Graduation Certificate/Expected Graduation Letter, accompanied by a photo of the prospective student (school stamp and/or the principal's signature must partly be stipulated on the photo).
7. Submit the scan of original birth certificate or original passports.
8. Submit the latest colored photo, measuring 4 x 6 cm showing the full face of the prospective student.
9. Approve the statement of willingness to fully finance the study
10. Finalize the registration of applicants
11. Download the Itenas International Student applicant cards.

Prospective students who fail to complete the registration process by the deadline cannot continue the selection process. The registration process for new applicants is complete once the applicant cards for the International students can be downloaded. Prospective students are required to take an online interview.
